

A large group of children and adults, mostly wearing white t-shirts with a colorful farm safety graphic, are posing for a group photo on a grassy area in front of a brick building. A large yellow banner hangs from the building, featuring the word 'WELCOME!' in large red letters. The banner also includes a warning triangle icon with a person and a tractor, and various logos for farm safety organizations such as 'FARM SAFETY Progressive Farmer', 'Farm Plan', 'PIONEER', 'THE FARM CHILDREN'S CENTER', 'Kawasaki', and 'CASE III'. The scene is brightly lit, suggesting a sunny day.

Education of PreK through 5th grade
students on Safety around the Home
and Farm

102 Participants and Volunteers attended
from the county.
